

SESSION SCHEDULE

Dublin Preschools at Shannon Community Center operate on three (3), 11-week sessions. Exact dates vary from year to year.

2016-2017 Session Schedule:

- **Session I:** September 6, 2016, through November 18, 2016
- **Session II:** November 28, 2016, through February 24, 2017
- **Session III:** February 27, 2017, through May 19, 2017

We make every effort to schedule holidays and vacations to coincide with the Dublin Unified School District's calendar. Generally, we do not recognize the Dublin Unified School District's early release days.

Each 11-week session requires separate registration. Children who are currently enrolled in the program are given priority registration in their class for the following session. However, space in the program is not guaranteed once the priority registration period has passed. Open Enrollment begins immediately following priority registration. We encourage you to take advantage of the opportunity to register early to continue your space in the program.
